

## Phonics and Phonetics for Adults

**Course Code:** ASKPPA

**Course Synopsis:** Accurate pronunciation is important if we want to be understood clearly. Many adults are often confused with the pronunciation of commonly used words which could lead to misunderstandings. This course is relevant for those who are interested in phonics for their personal learning and development. It is also useful for parents who want to support their children's learning on their reading journey.

In addition, this course gives adults learners an introduction to International Phonetics Alphabets (IPA) which will be of immense benefit to their own understanding of sounds in speech.

**Course Objective:** By the end of the course, you would be able to:

- Develop more accurate pronunciation
- Improve your listening, writing and reading skills
- understand the correct pronunciation when looking up a word in a dictionary

**Course Outline:**

- understand the relationship between the sounds and the 26 letters in the alphabet.
- understand the relationship between the sounds and 44 symbols in IPA
- correct use of stress and intonation to convey different meanings in speaking English

**Course Duration:** 1 day (8 hours), 9:00am - 5:00pm

**Course Fees:** \$299.60 (Inc. GST) per participant
