

Financial Wisdom in Life

Course Code: ASKFWL

Course synopsis: Feel that you lack the financial knowledge required in your daily life? It is no surprise. Schools today heavily emphasise content subjects, but fail to teach students basic financial knowledge required in their daily lives. In our course, Financial Wisdom in Life, we will teach you how to improve your Financial Quotient (FQ) and gain financial wisdom.

Financial Wisdom is about making good judgement in managing your finances with the support of knowledge and experience. By understanding the value of money and how money flows, you will be able to make better informed choices. Proper management of wealth is key to financial stability and prosperity.

Course Objectives: By the end of the course, you would be able to:

- Enhance your financial knowledge and wisdom
- Add value to you and your circle of influence
- Improve your life and look beyond dollars and cents

Course Outline:

- Personal financial structure and cash flow
- Financial environment and factors
- Pay yourself first and invest in yourself
- Wealth cycle: save and grow
- Why investing and don't miss out in protection
