(SCTP) WSQ DIPLOMA IN INFOCOMM TECHNOLOGY (SALES AND MARKETING)

Course Codes: TGS-2023038990 / TGS-2023038987

Become a **competent digital marketer** in **7 modules (4 months)** and earn a WSQ Diploma in InfoComm Technology (Sales and Marketing)

What is (SCTP) SkillsFuture Career Transition Programme?

The SkillsFuture Career Transition Programme (SCTP) supports mid-career individuals in acquiring industry-relevant skills to improve employability and pivot to new sectors or job roles.

This train-and-place programme is available on a part-time or full-time format, ranging from three to 12 months.

@ASK Training is a **Private Education Institution (PEI)** accredited by the Ministry of Education and is a **Continuing Education and Training (CET) Centre**, offering a diverse range of WSQ Digital Marketing Courses with up to 95% funding and job placement programmes.

TARGET AUDIENCE

Career Seeker

According to recruitment and talent platform Grit's Singapore Salary Report & Market Outlook for 2022/2023, more than half (**57%**) of **employers** in Singapore are looking to **fill digital marketing roles**. Salaries for Digital Marketers range from **\$30,000** for entry level positions to **\$180,000** per annum for Head roles. - Sources: *PayScale* and *Glassdoor*. However, entry can be difficult as employers demand a wide range of skills and comprehensive portfolios that demonstrates experience

In this diploma programme, you will be provided with ample opportunity to implement practice on real-world projects. This will enable you to gain the experience employers look for. Plus, you will have experienced mentors guiding you throughout your capstone project (digital marketing portfolio).

Business Owner

"You can't manage what you don't understand" is especially relevant for entrepreneurs with limited knowledge of digital marketing strategies and campaign implementation.

Hiring, managing, and retaining talent then becomes a cyclical challenge on top of struggling to understand digital marketing return on investment (ROI).

Completing the 7 digital marketing modules in this Diploma programme equips you to **execute campaigns independently** or **manage your team better**.

It also helps you communicate expectations, foster collaboration, and utilise digital tools for productivity and performance tracking. This streamlines operations and enables you to provide clear guidance and support to your employees as a leader.

Marketer

With technology rapidly advancing and industries undergoing critical digital transformation due largely to COVID-19, the **digital skills gap is widening**.

Many marketers in the past decade have **struggled to keep up with the ever-changing digital marketing landscape** until today.

This comprehensive diploma programme will not only enhance your skillset but also bolster your resume with essential industry-relevant expertise.

These skills will enable you to make substantial enhancements to marketing conversion rates and achieve a higher return on investment, ultimately boosting your professional profile and your organization's success.

Minimum Entry Requirements

To enroll in this WSQ DIPLOMA in Infocomm Technology (Sales and Marketing) Programme, you should possess the following:

- 1 GCE 'O' level or equivalent (≥ 21 years old); or
- NITEC/Higher NITEC (≥ 21 years old); or
- Mature candidates (≥ 30 years old with 8 years of work experience); or
- Candidates with other qualifications will be considered on a case-by-case basis

You will need basic computer skills. While optional, having a basic understanding of sales and marketing concepts would be beneficial.

PROGRAMME DESCRIPTION

Enhance your digital marketing skills and embark on a journey toward becoming a proficient digital marketer. Our comprehensive **Diploma in Digital Marketing** is designed to provide you with the in-depth knowledge and practical skills necessary to excel in today's fast-paced digital landscape.

The diploma program comprises seven highly focused modules starting with the **WordPress Website Creation Course** where you will master the art of creating modern, secure websites using WordPress. Next, you get to unleash your creativity and create digital content, including visuals, graphics, videos, and more in the **Digital Content Creation Course**. After which, you'll take on the **Copywriting & Content Writing Course** where you will learn the power of persuasive writing and the art of creating impactful content and copy.

Moving on from that, you'll learn the digital advertising aspects which consists of the **Google Ads Course** and the **Facebook and Instagram Marketing Course** where you'll set up campaigns from start to optimisation on the respective platforms. Finally, you'll go through the **Website and Landing Page Conversion Optimisation Course** where you'll be equipped with the skills and know-how to optimise marketing funnels and landing pages to increase conversion rates.

At the end of the course, you'll create a digital marketing campaign from start to finish through a **Capstone Project**.

Upon completion of our Diploma in Digital Marketing, you'll not only possess a deep understanding of the digital marketing landscape but also have hands-on experience to showcase your expertise. Whether you're launching a new career or seeking to advance your current one, our diploma program empowers you to succeed in the ever-evolving world of digital marketing.
