Singapore under the WSQ Skills Framework
Course Code: TGS-2023020908

Who Should Attend

This course is suitable for individuals in both client-side and agency-side marketing roles, web developers, business owners and any individual who wants to enhance their proficiency in handling in-house or outsourced SEO projects, and acquire practitioner-level SEO expertise.

@ASK Training is a **Private Education Institution (PEI)** accredited by the Ministry of Education and is a **Continuing Education and Training (CET) Centre**, offering a diverse range of WSQ Digital Marketing Courses with up to 90% funding and job placement programmes.

Minimum Entry Requirements

To enrol in this WSQ Advanced Search Engine Optimisation Course, you should possess the following:

- 1 GCE 'O' level or equivalent (≥ 21 years old); or
- NITEC/Higher NITEC (≥ 21 years old); or
- Mature candidates (≥ 30 years old with 8 years of work experience); or
- Candidates with other qualifications will be considered on a case-by-case basis

You will need basic computer skills. While optional, having a basic understanding of sales and marketing concepts would be beneficial.

COURSE DESCRIPTION

Achieving high search engine rankings is crucial for driving website traffic and reaching your target audience effectively. As a seasoned digital marketer, it's important to keep yourself skilled with advanced SEO skills and techniques to stay ahead.

The 2-Day WSQ Advanced Search Engine Optimisation (SEO) course is designed to provide you with a comprehensive understanding of the technical and analytical aspects of SEO. Go in-depth into advanced techniques and tools used to increase website traffic and improve search engine rankings.

From keyword research and analysis to utilising advanced SEO tools for website audits, you'll gain the skills needed to develop actionable strategies for optimising your online presence. By the end of this advanced SEO training course, you'll be equipped with the knowledge and practical experience to implement advanced SEO strategies effectively.
