Master **advanced digital marketing strategies** through real-world, hands-on projects across **8 modules (6 months)** and earn a WSQ Specialist Diploma in InfoComm Technology (Sales and Marketing).

What is (SCTP) SkillsFuture Career Transition Programme?

The SkillsFuture Career Transition Programme (SCTP) supports mid-career individuals in acquiring industry-relevant skills to improve employability and pivot to new sectors or job roles.

This train-and-place programme is available on a part-time or full-time format, ranging from three to 12 months.

Eligible For **\$4,000**
SkillsFuture Level-Up
Programme

@ASK Training is a **Private Education Institution (PEI)** accredited by the Ministry of Education and is a **Continuing Education and Training (CET) Centre**, offering a diverse range of WSQ Digital Marketing Courses with up to 95% funding and job placement programmes.

TARGET AUDIENCE

Career Seeker

According to recruitment and talent platform Grit's Singapore Salary Report & Market Outlook for 2022/2023, more than half (**57%**) of **employers** in Singapore are looking to **fill digital marketing roles**. Salaries for Digital Marketers range from **\$30,000** for entry level positions to **\$180,000** per annum for Head roles. - Sources: *PayScale and Glassdoor*. However, entry can be difficult as employers demand a wide range of skills and comprehensive portfolios that demonstrates experience

Through this Specialist Diploma programme, you will be able to immerse yourself in advanced digital marketing techniques and get the opportunity to implement these advanced tools and methodologies on real-world projects. This will help to enhance your employability. Additionally, you will be supported by veteran mentors who will guide you through the duration of your capstone project (digital marketing portfolio).

Business Owner

"You can't manage what you don't understand" is especially relevant for entrepreneurs with limited knowledge of digital marketing strategies and campaign implementation.

Hiring, managing, and retaining talent then becomes a cyclical challenge on top of struggling to understand digital marketing return on investment (ROI).

This advanced programme will enable you to lead a full fledged digital marketing team and communicate effectively with digital agencies. With knowledge and skills on advanced online marketing strategies, you will also be able to align your teams with company objectives.

Hiring, managing, and retaining talent no longer becomes a constant challenge and you can look forward to scaling your marketing department as your business expands. This will undoubtedly lead to a more more cohesive and productive workforce.

Marketer

With technology rapidly advancing and industries undergoing critical digital transformation due largely to COVID-19, the **digital skills gap is widening**.

Many marketers in the past decade have **struggled to keep up with the ever-changing digital marketing landscape** until today.

After completing the 8 advanced digital marketing modules, you will be able to develop and implement advanced digital marketing strategies and effectively manage digital marketing teams both in-house and outsourced.

Your ability to lead and drive results in digital marketing will make you an invaluable asset to your organisation.

Minimum Entry Requirements

To enrol in this WSQ Specialist Diploma in Digital Marketing Programme, you should possess the following:

- WPLN Level 5; or
- WSQ Advanced Certificate in Digital Marketing; or
- Mature candidates (≥ 30 years old with 8 years' work experience in a digital marketing-related field, including providing evidence of employment in their CVs); or
- Candidates with other qualifications will be considered on a case-by-case basis

PROGRAMME DESCRIPTION

This advanced course, the **Specialist Diploma in Digital Marketing**, is designed to help you excel in the competitive digital landscape. It consists of eight specialised modules that cover various aspects of digital marketing.

You'll learn advanced strategies for digital marketing, digital advertising, social media management, content marketing, search engine optimisation, digital marketing analytics, and email marketing. The course culminates in a Capstone Project where you create a digital marketing strategic plan.

By completing this program, you'll not only gain expertise in advanced digital marketing but also develop skills for effective team management, making you a valuable asset to any organization, whether you're advancing your career or starting a new one.
