MASTER LEADERSHIP WITH THE WISDOM OF THE THREE KINGDOMS

The 8 Trigrams of Management

Inspired by timeless strategic wisdom, this framework **connects 8 core business functions** – **Manpower, Intelligence, Logistics, Finance, Training, Branding, Research, and Sales** – anchored by strong leadership at the centre.

The Three Kingdoms era offers timeless lessons in leadership and strategy. At @ASK Training, we apply these timeless teachings to help professionals tackle challenges, lead teams and achieve lasting success in today's workplace.

Why the Three Kingdoms Still Matter Today

The battles, alliances, and leadership styles offer powerful insights into:

- **Strategic Thinking:** Assess risks and seize opportunities.
- **Leadership:** Inspire loyalty and build strong teams.
- **Conflict Resolution:** Manage workplace dynamics effectively.
