TIKTOK MARKETING

Course Synopsis

TikTok has rapidly become a key platform in the digital marketing landscape, offering marketers a fresh and dynamic way to connect with audiences through short-form videos, livestreams, and various interactive features. This 2-day programme provides participants with a structured, hands-on approach to understanding and applying TikTok marketing strategies tailored to the Singapore context.

Participants will explore the platform's core functions, user behaviour, and content formats, gaining practical insights into how TikTok differs from traditional social media channels. The course includes **guided walkthroughs**, **scenario-based exercises**, and **applied learning activities** to help learners build confidence in content creation, video editing, campaign planning, and performance tracking.

You will also be introduced to the **TikTok Shop ecosystem**, including **affiliate tools**, **product listings**, and **campaign launch processes**. The programme emphasises practical application, offering opportunities to experiment with TikTok's creative tools and analytics to refine marketing strategies.

By the end of the course, participants will be equipped to design and execute TikTok video campaigns that are relevant, engaging, and aligned with business goals, while developing a strong foundation in platform capabilities and user-centric marketing approaches.
